AN NOWODHOW

AUTUMN 1, WEEK 8

Head of School Message

What a busy but brilliant final week of this half term we've had at Manaccan!

It was fantastic to celebrate Harvest time with you all on Tuesday afternoon, in the special setting of the church. We are so grateful to Rev North for welcoming us and allowing to fill the church with our readings, poems and songs - acapella style, albeit unintentionally! The children worked so hard during rehearsals and made us incredibly proud. Thank you for your generous food donations that will support people within our immediate and local communities.

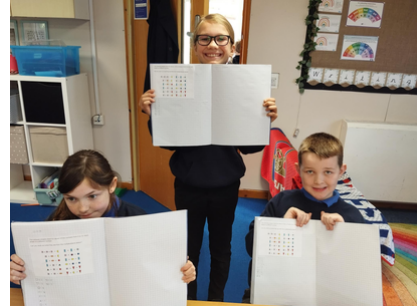

We've also ended the week on a real high with our fabulous footballers. Taking part in the Aspire Lizard Schools football tournament on Thursday, our girls team came first and boys team came second. In addition, we had three of the top goal scorers on our teams too! All of the children showed brilliant teamwork throughout and deserve a huge well done.

Finally, I'd like to take this opportunity to thank both our incredible staff team and the parents/carers for making me feel so welcome this half term.

Have a lovely week - see you in November!

Learning of the Week

This week, our curious mathematicians in St Anthony took on the NRICH challenge 'Shape Times Shape'. In this colourful puzzle, each shape represents a different number from 0 to 12 - and the task? To crack the code using multiplication clues and logical thinking! The class showed fantastic perseverance and teamwork as they explored patterns and celebrated those satisfying 'aha!' moments. A brilliant way to stretch our problem-solving muscles and have fun with Maths!

PUPIL PARLIAMENT

We are delighted to get our Pupil Parliament up and running for this academic year. Our class representatives did a brilliant job preparing and presenting to the rest of the school and will sit on our core 'School Council'. They will be joined by a representative from our three NEW working parties: Sports Leaders, Eco-Committee and Kryw Kernewek. Zoom in on our Pupil Parliament graphic below for more information about each working party and their responsibilities.

We've coined the term 'dream team' to align with our school strap line of 'dream it, believe it, achieve it'. We want to ensure, through our pupil leadership opportunities, that every child's voice is heard and that we can achieve our dreams!

This week, our pupil parliament groups have spent time with Mr Salway, our staff representative, thinking about how the groups will work together, the charities they would like to support this year and which projects they'd like to be working on to make our school an even better place! They will be sharing regular updates via our newsletter so watch this space!
