

MANACCAN PRIMARY SCHOOL & NURSERY

AN NOWODHOW

SPRING 1, WEEK 2

Head of School Message

Welcome to this week's newsletter.

As I'm sure you were, we were all very glad to get back to some normality on Monday. What a start to the calendar year!

Myself and the team have been so appreciative of the patience, support and understanding the school community have continued to show, during what was also an incredibly challenging time for you all too. Thank you again.

On Wednesday, I spent some time with other leaders in the Trust, looking at professional development materials for our staff which we will be using over the coming weeks. This will support the developing Teaching & Learning strategies we are working on as a school team and, in turn, help all of our children to access their learning and achieve well.

This week saw the start of our after-school clubs for this half term and our NEW Breakfast Club. I thoroughly enjoyed popping into Miss Pearce's Line Dancing Club on Tuesday afternoon - what an uplifting way to end the day! The children were doing a great job; I, on the other hand, certainly need a bit more practice. We are continually trying to offer something new or different to broaden the range of activities available to our children.

On Tuesday, we were lucky enough to have a visit from the Cornish Plastic Pollution Coalition. The whole school enjoyed an assembly with our visitors, learning about who the CPPC are and what they do. Each class then took part in workshops throughout the day. What a fantastic way to learn more about plastic pollution and action for change.

Have a lovely weekend.

Mrs Hancock

Learning of the Week

A huge thank you to the Cornish Plastic Pollution Coalition for their visit this week. The children had a fantastic day learning important environmental lessons and taking part in hands-on workshops!

Diary Dates

- **Monday 26th January** - Parent/Carer Maths Workshop at **St Keverne Primary School**, 9am
- **Monday 9th to Friday 13th February** - Children's Mental Health Week
