## SUMMER 1, WEEK 4

### Head of School Message

This week has seen our Year 6 children completing their SATs. We could not be more proud of their hard work in preparing for the tests, and their attitude and focus throughout the week. They have done their absolute best every day, which is all we can ask of them. In recognition of their efforts, they have enjoyed an ice-cream trip to Roskilly's this morning. A huge well done to each and every one of them, and to Mr Salway & his class team for their dedication in ensuring the children could access the tests with the knowledge, skills and confidence needed.

Gillan Class have been busy this week too. They have been exploring different kinds of weather in Geography - with our EYFS children representing this through music - focusing on how we can keep healthy through their PSHE sessions and preparing to plant some seeds in their Science learning.

On Tuesday afternoon, the whole-school enjoyed a performance from Cousin Jack's Theatre Company (see our 'Learning of the Week') and have also been practising their singing for our Summer Play.

Finally, a polite reminder for morning drop off.

Unless otherwise agreed, we kindly ask that parents/carers do not go beyond the end of the green fence and instead allow their children to walk into class themselves. This promotes independence and ensures a smooth, positive start to the day. For those younger children who may require a little extra support in the mornings, Miss Pearce or Mrs Wilson are always on hand to meet children at the cloakroom door but we ask that parents/carers don't go inside. Any key messages can be passed to whoever is on the main gate, or can be emailed to [hello@manaccan.org](mailto:hello@manaccan.org). Thank you for your support and understanding.

Have a lovely weekend.

*Mrs Hancock*

### Learning of the Week

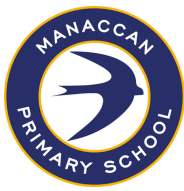

We were delighted to welcome Cousin Jack's Theatre Company to Manaccan this week. The whole school enjoyed a performance of 'Bobo and the Fake News Navigator'. A fantastic show, filled with humour, kindness, Makaton and an important message for the digital age the children are growing up in!
