SUMMER 2, WEEK 2

Head of School Message

This week has seen our Year 1 children complete their Phonics Screening Check and our Year 4 children complete their Multiplication Tables Check. We are so incredibly proud of all of them. They did so well and approached their assessments with resilience and a positive attitude. Results of these statutory assessments will be shared with parents/carers alongside the end of year reports later in the term.

Earlier in the week, I had the pleasure of hosting one of our Trust directors, our Academy Improvement Lead and six Heads of School from across Aspire at Manaccan. It was a fantastic opportunity to put our wonderful school on the map and welcome visitors; the children and staff really did us proud!

I was also delighted to present the curriculum that we have developed this year to the Aspire Small Schools Network on Wednesday. The staff at Manaccan & St Keverne have played an integral part in this important piece of work; it was a privilege to share it with our wider colleagues to both celebrate the hard work that has gone in to developing it and share good practice.

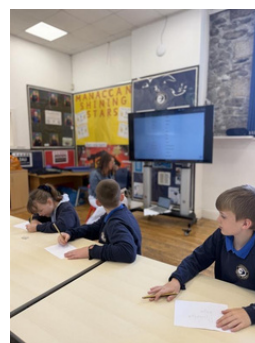

In this week's assembly, we marked National Best Friends Day 2026. We talked about how the types of friendship groups we have may look different, what makes a good friend, how sometimes we can find making friends a bit tricky and what we can do to help.

We are rapidly approaching the end of this academic year, which I can't quite believe! The remaining weeks of this half term are full of end of year events, transition sessions, sports day and much more. We would love parents/carers to join us for a coffee morning on Thursday 16th July 2026, where we can reflect on the past year, celebrate what has worked well and plan for the year ahead. If you're able to join us, please do pop in for a warm drink, a biscuit or two and an informal chat from 9am.

Have a lovely weekend.

Learning of the Week

This week, our 'Kryw Kernewek' (Cornish for 'Cornish Crew') strand of the Pupil Parliament met with Mrs Wilson and Mrs Hancock to plan the next steps towards our Bronze Go Cornish Award. The children are designing dual language signs (Cornish and English) to go around the school - keep an eye out over the next few weeks to see if you can spot them!
