AN NOWODHOW

SUMMER 2, WEEK 3

Head of School Message

Happy Friday, everyone!

It has been another busy week at Manaccan, including: EYFS working hard on their foundational skills of letter formation in Drawing Club and their early reading in Phonics; Key Stage 1 continuing their learning about growing and changing in PSHE; swimming and sailing sessions have continued; and St Anthony have been exploring different techniques in their artwork.

Summer Play rehearsals are well underway, with the children working hard to learn lines, follow stage directions and practise the songs.

We can't wait to see how it all comes together, and we're sure it will be a memorable evening for the whole community.

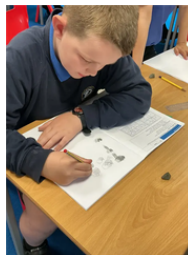

Looking forward to the next few weeks, we have some exciting events coming up. On Tuesday, we're delighted that Will Keating will be visiting to deliver a sea shanty workshop with the children. On Thursday, Gillan Class are heading off on a trip to CAST in Helston - if you're available to accompany the trip, Mrs Wilson would be very grateful for the support.

On Wednesday next week, we're excited for our first Careers Fair for KS2. The children will travel by minibus to St Keverne Primary School in the morning and will have an opportunity to speak to a number of visitors about their roles, careers and businesses! If you'd be interested in presenting, please do let us know as we have a few spaces remaining. It is sure to be an inspiring morning!

Have a lovely weekend.
