

MANACCAN PRIMARY SCHOOL & NURSERY

AN NOWODHOW

SUMMER 2, WEEK 6

Head of School Message

This week has seen our Key Stage 2 children embark on their adventure camp residential. They have taken part in bushcraft, surfing, bodyboarding, teambuilding games & activities and much more! We were incredibly lucky with the weather and had a fantastic time, making memories that will last forever.

It was so rewarding to see the children work together, step out of their comfort zones and support one another.

Camps and residential are such an important school experience but they cannot happen without the planning, organisation, commitment and care from the staff team, who give their time and energy for the children. I'd like to take this opportunity to thank Mr Salway, Mrs Wilson and Mrs Teakle for accompanying the children and making it such a special experience. A big thank you also to Mr Hancock, Outdoor Learning Lead at Tregolls Academy, for giving up his evening on Thursday to deliver a camp fire session for the children, and to Ms Hicks, Mrs G and Miss Darling for ensuring everything ran smoothly at school this week too.

None of this can happen without every member of the team working together - and what a team we have here at Manaccan!

Have a lovely weekend.

Mrs Hancock

Learning of the Week

Gillan Class have been busy this week too! They have been exploring habitats outside and creating bug hotels, sharing stories and making repeating patterns in Maths - they even showed 'Biscuit the dog' their learning! #TeamManaccan

Feel free to text or WhatsApp.

Babies, infants and children learn and grow through simple, everyday moments with the people around them.

That's why we are supporting '**Phones away...talk and play!**' - a campaign encouraging parents and carers of children aged 0-5 to make time to connect without distractions from phones.

The early years are a crucial time for development. Talking, playing and spending time together helps infants build language, confidence and strong relationships. These moments don't need to be complicated - they can happen during everyday routines such as reading a story, chatting at mealtimes, playing with toys or going for a walk. We know that family life can be busy, and this campaign is about encouragement, not judgement. Small changes can make a big difference.

We're sharing this message with families in our setting to help support children's development and wellbeing.
