AN NOWODHOW

AUTUMN 1, WEEK 2

Head of School Message

It has been a busy second full week of term, with a real buzz of learning around the school!

I have loved visiting classrooms this week, seeing how settled and focused all of the children are. Our youngest children are already demonstrating our school values during learning time, those who have moved up into the next class are tackling this transition with maturity & resilience and those who have moved year groups within classes are showing themselves to be true role models to their younger peers.

In this week's assembly, we reviewed our school rules of Ready, Respectful & Safe and explored what these look like in practice. We thought about how we might behave if we were demonstrating each of our school rules and how we can help others to do the same.

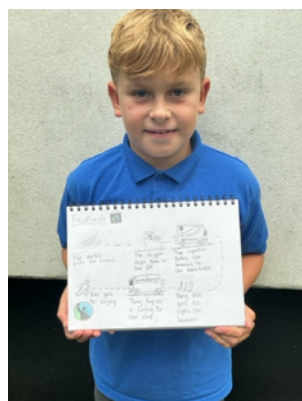

Now that we have a couple of weeks under our belts and children are back into their routines, a polite reminder that children should be walking into classrooms themselves in the morning whenever possible. This encourages independence and ensures a smooth start to the day. If you need to pass a message onto a member of staff, please speak to myself or Mr Salway on the main playground gate.

Finally, you will soon be receiving a request from the school office to ensure your child's medical information is up-to-date on Arbor. We would be incredibly grateful if you could do so, making sure we have accurate information for your child so we can best support them in school. Thank you for your help with this.

Have a wonderful weekend,

Mrs Hancock

Learning of the Week
