

MANACCAN PRIMARY SCHOOL & NURSERY

AN NOWODHOW

AUTUMN 1, WEEK 4

Head of School Message

It has been another busy week at Manaccan!

Gillan Class have been making the most of our beautiful surroundings, going on nature walks for their Art learning and their Geography learning. The autumn sunshine has definitely helped and what better way to develop their sense of place?!

St Anthony Class have been using their Geography learning on Fair Trade to support their reading. They have been considering different view points on where our food should come from in their VIPERS text and analysing the vocabulary and techniques the author has used to create an effective debate.

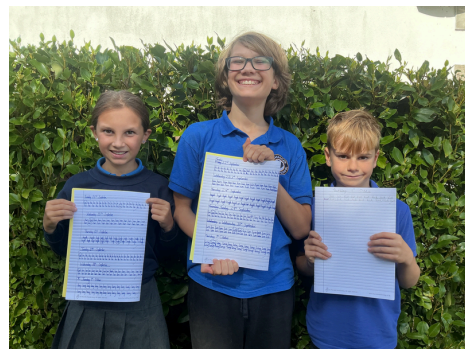

In our assembly this week, we were revisiting our British Values of Democracy, Rule of Law, Individual Liberty, Mutual Respect and Tolerance of Different Faiths & Beliefs. We discussed how these values shape our thoughts and our behaviour and how we can embody them both inside and outside of school.

On Wednesday next week, we have our Maths workshop for parents/carers, 9am in the school hall. This is being held by Mr Salway and everyone is welcome. We hope to see many of you there.

Have a wonderful weekend,

Mrs Hancock

Learning of the Week

We have been working incredibly hard on our foundational skills of handwriting and spelling across the school. Our children put so much effort into their learning, it's important that we also have high expectations of their presentation so they have a real sense of pride in the work they produce. These three superstars shone this week with their handwriting - well done!
